

# The Official LRKA Kickball Field Layout

-  = Imaginary fielder's line from 1st to 3rd
-  = Suggested Umpire position
-  = The Catcher Position is determined by extending the 1st baseline back from home 2 yards
-  = This is where the catcher must stand until contact is made

\* Please note: We play on the fields provided by the city and by their dimensions. They are not always exact or constant. Allowances should be made.
